

### Newly Qualified Clinical Psychologist Event

Following on from our previous 2 events, the 3 North West DClinPsych programmes alongside the Psychological Professions Network would like to invite you to our 3<sup>rd</sup> event on Monday the 26<sup>th</sup> April 2021 9.30am – 12.30pm via Zoom.

This event will focus on the impact of Covid on our work, how services can move to more 'usual practice' alongside what aspects of new ways of working will be helpful to keep and what has been the impact on mental wellbeing for everyone - us, our clients, communities and colleagues.

The content will be similar to the previous sessions; hearing from early career psychologists as well as senior clinicians and the opportunity to share experiences with each other in small groups.
