

# 'CLINICAL PSYCHOLOGY, MENTORING AND ME'

**AN EVENT FOR ASPIRING CLINICAL  
PSYCHOLOGISTS FROM BLACK, ASIAN AND  
MINORITISED ETHNIC COMMUNITIES**

Historically, the Doctorate in Clinical Psychology has not been very accessible to people from racially diverse backgrounds.

The North West Clinical Psychology Training Programmes aim to improve this so we are exploring how mentoring could help applicants.

We invite you to join us to:

- help us shape our mentoring scheme
- find out how to get onto the Doctorate in Clinical Psychology (DClinPsy) courses
- network with aspiring, training and qualified Clinical Psychologists

Wednesday 3rd November 2021  
09:30-14:30 (UK Time)  
Online (via Zoom)

For more details and to join us on the day, please register via eventbrite:
